

S.Y. AVA

AVA was built by David Cheng boat builders, HK in 1979 to a Bill Luders design. This was David Cheng's personal boat for a number of years cruising HK waters with his family. AVA has a huge cockpit allowing 6 persons to sit comfortably around fold up teak table. Four large lockers for storage. Stainless steel dodger with Sunbrella. Wonderful family cruiser. Full Sunbrella cover.

This is the basis for Ava
